Pennsylvania Treasury Department
Pool 998 (Common Investment Pool)
Monthly Review - November 2025

POOL OVERVIEW

The Treasury Department manages and invests any funds exceeding the Commonwealth's current operational needs, unless those funds are explicitly under the control of another board, commission, state official, or are risk adverse. Pool 998 is a variable net asset value investment vehicle that uses longer-term fixed income, alternative investments, and equity securities to generate enhanced investment returns over time. Funds in Pool 998 are intended to weather short-term ups and downs in the market in the interest of long-term capital appreciation. Please note that this review is based upon final, audited reports and may differ slightly from any interim, unaudited figures.
