

**PENNSYLVANIA TREASURY DEPARTMENT  
PROCUREMENT SOLE SOURCE JUSTIFICATION**

**Bureau:** IT Cyber **Contract Begin Date:**04/29/2024 **End Date:**04/28/2025

**Contractor:** Cybrary

**Agency Purchase Requisition No:** 0000000352

**A) Reason for Sole Source Procurement:**

- Only a single contractor is capable of providing the service.
  - Only known source; similar services/commodities are not available from another contractor.
  - Service must be compatible with existing equipment.
- A federal or state statute or federal regulation exempts the service from the competitive procedure and there is appropriate justification to do so.
- It is clearly not feasible to award the contract for services on a competitive basis.
- The services are to be provided by attorneys or litigation consultants selected by the Department.
- The services are to be provided by expert witnesses.
- The services involve the repair, modification or calibration of equipment, and they are to be performed by the manufacturer of the equipment or by the manufacturer's authorized dealer, provided the contracting officer determines that bidding is not appropriate under the circumstances.
- The contract is for financial or investment experts to be used and selected by the Department.
- The contract is for supplies or services is in the best interest of the Commonwealth.
- Part I, Chapter I of the Pennsylvania Procurement Handbook issued by the Department of General Services under the authority of Commonwealth Procurement Code, 62 P.S. Section 101 et seq., exempts Treasury from the policies, procedures, and guidelines of the handbook for the licensing of specialized computer software.

**B) Briefly describe the supply or service item you are requesting and its function.**

Cybrary for Teams is a specialized Software as a Service Training Platform that allows IT staff to undertake continuing education on a wide variety of technology topics with a particular emphasis on cybersecurity. It delivers unparalleled cybersecurity training with expert-developed content, adaptive learning, and practical exercises, uniquely tailored to certification paths and organizational training objectives.

**C) Describe the unique features/compatibility of the supply or service item that precludes competitive procurement.**

**D) What research has been done to verify the contractor as the only known source?**

**PENNSYLVANIA TREASURY DEPARTMENT  
PROCUREMENT SOLE SOURCE JUSTIFICATION**

Asked the software developer/provider, they only sell direct.

**E) Does the contractor have any distributors, dealers, resellers, etc., that sell the supply or service?**

Asked the software developer/provider, they only sell direct.

**F) Must this supply or service be compatible with present inventory/equipment or in compliance with a manufacturer's warranty or existing service agreement? If yes, please explain.**

**G) If this is an initial procurement, what are the future consequences of the procurement? That is, once this procurement is approved and processed, what additional upgrades/additions/supplies/ services, etc., are anticipated/projected over the useful life of this item?**

**H) If this is an upgrade, addition, alteration, etc., to an existing service? How was the original service procured (sole source or competitive)? What additional, related, sole source procurements have occurred since the initial procurement? Please identify the previous purchase order or contract number(s).**

**I) How has this service been procured in the past? (Competitive sealed bidding, competitive sealed proposals, sole source, other). Please provide document numbers.**

**J) What are the consequences of not procuring this specific supply or service item?**

**K) How long has the agency known that the supply or service was needed, and why wasn't the contract process started earlier?**

**L) If timing is a factor, who established the time frame and why?**

**M) What are the consequences of not procuring this specific service within the established time frame?**

**N) List any other information relevant to the acquisition of this service.**

Not procuring Cybrary for Teams risks widening the cybersecurity skills gap, compromising the organization's defense against evolving threats. It may hinder the team's ability to secure industry-recognized certifications and reduce operational efficiency due to the lack of tailored, practical training. Additionally, without Cybrary's integration and analytics capabilities, managing and measuring training effectiveness becomes challenging, potentially increasing vulnerability to cyber incidents.
